AIRCREW SURVIVAL EXERCISE

Dear Parents,

Please note that the fall field survival exercise event for all cadets of Squadron 518 Rosemont will take place on October 4 and 5 at Érablière Prince, located in Saint-Wenceslas, Quebec. During this weekend, your child will participate in an adventurous training where they will experience life in the forest. They will always be under the supervision of at least one adult and a senior cadet

The phone number in case of emergency is, (514) 727-7764 / 514-240-6345

Cadets must arrive at the squadron **on Saturday, October 4, at 6:30 AM**. Please ensure they have eaten properly before arriving and are dressed according to the day's weather. **The return will be on Sunday, October 5, around 3:00 PM.** Food and basic equipment will be provided to each cadet.

You will find the list of materials on the next page

IMPORTANT If applicable, your child must bring any necessary medication for their well-being, and we suggest they bring their health insurance card. For safety reasons, any unnecessary food or equipment (food, unsafe knives, etc.) will be confiscated during baggage checks.

To participate, all attendees must have completed their registration file or submitted the annual validation questionnaire to the administration. For better planning, we kindly ask you to complete the response form and return it in person to the squadron administration or by email to info@escadron518.com. Please scan the form instead of taking a photo.

Return the form no later than Saturday, September 27, 2025. No forms will be accepted after this date. One form per child.

Please accept, dear parents, our most distinguished regards.

Capt Wilbert Nazaire, CD
Commanding Officer

Mrs. Ginette Simon
Chairperson
